JUNE PRICE INCREASES.

Dear customer,

Given the current market conditions we know how important it is that you are provided with advanced notice of any significant price changes. We are therefore advising you of some price increases on products that you have previously purchased.

As always, we are working hard behind the scenes with our suppliers to minimise all increases but we wanted to let you know the current projected increases to allow you to plan accordingly. These are planned to come into effect on June 1st 2022.

Product Category	Price Increase
Landscaping porcelain	Up to 15%
Chipboard	3-5%
MDF mouldings	10%
Plasterboard	7%
PIR	12-12.5%
Roof tiles	5-15%
Roof membranes	5-15%
Plastic drainage	Up to 22.5%
Cladding	7%
MDF	7-9%

** Please note, the above increases do not apply to all products within the categories and only highlight the most relevant price increases.*

Why we're increasing our prices.

There continues to be disruption of various supply chains which has resulted in increased and more unpredictable manufacturing costs. Most suppliers have noted the largest factors to be the increases in energy, packaging and distribution costs. During 2021, many suppliers predicted that the cost for raw materials would stabilise into 2022 but unfortunately this has not been the case. As a result of the higher costs of core raw materials used in the production of some products, due to reduced supply, our suppliers have had to increase their prices.

Keeping up to date.
